

### **Garryowen Thirds Front Row**

I'll tell you all a story about some lads I know  
They're known throughout the province as the "Garryowen Thirds Front Row"  
There's a little chorus and the chorus you all know  
So tell me are you ready, up and under here we go

#### **Chorus**

And it's up and under here we go  
Are you ready yes or no  
Up and under here we go  
It's the song of the Garryowen Thirds Front Row

There's a film made in London, it was censored treble X  
The sort of film that would shock, one of scandal, lust and sex  
Mary Whitehouse saw it and now they'll never show  
A film called "Up and Under" starring the Garryowen Thirds Front Row

#### **Chorus**

And it's up and under here we go  
Are you ready yes or no  
Up and under here we go  
It's the song of the Garryowen Thirds Front Row

They had trouble in Uganda with President Amin,  
They sent an envoy out there with a message from the Queen,  
The stay of execution Amin he answered NO  
Till a letter was sent from Dooradoyle from the Garryowen Thirds Front Row

#### **Chorus**

And it's up and under here we go  
Are you ready yes or no  
Up and under here we go  
It's the song of the Garryowen Thirds Front Row

They had trouble on the railways with some of soccer's fans  
I've watched them on the terraces, throwing stones, rocks and cans,  
They've stopped the soccer special, it's a waste of time I now  
For in the end they'll have to send for the Garryowen Thirds Front Row

#### **Chorus**

And it's up and under here we go  
Are you ready yes or no  
Up and under here we go  
It's the song of the Garryowen Thirds Front Row

There's a programme on the telly, I watch it when I can  
The story of an astronaut the first bionic man  
He cost 6 million dollars, it's a lot of bread I know  
But \*\*\* offered more for the Garryowen Thirds Front Row!

**Chorus**

And it's up and under here we go  
Are you ready yes or no  
Up and under here we go  
It's the song of the Garryowen Thirds Front Row
