

## **Hurrah for Garryowen**

We won't go home without it  
We'll dress it up in blue  
We won't go home without it , they'll kill us if we do  
So let the forwards do their duty and the backs will follow up  
And home to Limerick we'll bring the Munster cup.

### **Chorus**

Hurrah, Hurrah, Hurrah for Garryowen  
Hurrah for Thomandgate  
There stands the Treaty stone  
Oh we never will deny it nor we never will disown  
The city of the violated Treaty

When William saw what he had done  
To Killaloe he fled  
And left the sons of Limerick to guard and bury their dead  
Soon after he returned with victory on his head  
To the city of the violated Treaty.

### **Chorus**

Hurrah, Hurrah, Hurrah for Garryowen  
Hurrah for Thomondgate  
There stands the Treaty Stone  
Oh we never will deny it nor we never will disown  
The city of the violated Treaty

We took it by O'Briens bridge  
And back by Killaloe  
We took it boys, we took it  
And dressed it up in blue  
So let the forwards do their duty and the backs will follow up  
And back to Limerick we'll bring the Munster cup.

### **Chorus**

Hurrah, Hurrah, Hurrah for Garryowen  
Hurrah for Thomondgate  
There stands the Treaty stone  
Oh we never will deny it nor we never will disown  
The city of the violated Treaty
